■ Bradford Specialty Pools are ideal for enhancing large treatment areas or for personal use in suites and rooms. Designing the right shape, size, and style for your pool has never been easier. Bradford has experience with all kinds of pool and hot tub applications, from individual use in VIP suites to large pools for groups. Bradford's expertise in aquatic design allows your pool to have unlimited possibilities. We've created unique Roman tubs, hot tubs with reclined seating, herbal tubs for a unique therapeutic experience, and pools enhanced with a variety of water features. Bradford has created large outdoor tubs, small square tubs with acrylic viewing windows, and serene U-shaped personal plunge pools that each fit their particular application. Your pool or hot tub will be unique to your environment, cultural influence, and concept.
